

Microsystems Hub

RATE SHEET

EQUIPMENT	RATE PER HOUR	
	Academic	Industrial
CAD work development	\$50	\$150
Calibrated Microscope / Digital Camera (Class 1000)		
• Standard microscope and image capture	\$15	\$55
• Advanced 3D imaging module	\$25	\$75
Critical Point Dryer	\$30	\$95
Dicing saw	\$40	\$130
Electroplating (8foot PP Wet Deck to be booked at same time)	\$30	\$115
Evaporator (extra charge may be applied for materials)	\$40	\$125
Flip Chip Bonder	\$60	\$185
Furnace	\$15	\$55
Hotplate	\$10	\$35
Inspection Microscope (Class 100)	\$10	\$40
KOH Wet deck	\$30	\$100
M-Gage Metal thin film measurement system	\$15	\$55
Mask Aligner Karl Suss MA6/BA6	\$30	\$95
Metrology Analysis Computer	\$10	\$35
Miniature oven (Blue)	\$15	\$55
Nanometrics resist thin film measurement system	\$15	\$55
Non-standard coating station (includes spin coater)	\$50	\$155
Orientation	\$70	\$70
Photolithography(includes C100 Spinner, wet deck and MA6)	\$85	\$235
Reactive Ion Etcher (RIE)	\$30	\$115
Spin coater (Class 100)	\$30	\$105
Sputter - Denton Desktop	\$20	\$65
Sputter - Lesker (extra charge may be applied for materials)	\$40	\$130
Technical Support	\$50	\$150
Tencor Profilometer:		
• First hour (machine and program setup, scan start)	\$40	\$130
• Additional hours as needed to complete scan	\$20	\$65
Training	\$50	\$150
Wafer mounting	\$15	\$55
Veeco Wyko NT1100	\$15	\$55
Wet Deck (8foot PP)	\$30	\$115
Y.E.S. HMDS Oven	\$30	\$115
Standard booking fee* (per person, per 4 hour booking)	\$20	
*The standard booking fee covers use of the following basic consumables:		
• Cleanroom wipes	• Weekly laundering of suits	
• Gloves	• Nitrogen	
• Booties	• DI water	
• Hair nets	• PPE	

Microsystems Hub

RATE SHEET

CONSUMABLE COSTS		Academic	Industrial
Silicon substrates (additional cost may apply for specific grade)		\$35	\$35
Wafer carriers (each)			
• Square		\$35	\$35
• Circular		\$35	\$35
Cleanroom notebooks		\$30	\$30
Additional cleanroom wipes		\$30	\$30
Microscope slides (per box)		\$50	\$50
Mask blanks		\$35	\$35
Mask container		\$50	\$50
Other substrates (i.e. borosilicate, sodalime, quartz, etc.), including custom-diced, available upon request.			

PLEASE NOTE: Users of the Microsystems Hub are responsible to pay for any labware or equipment breakages they may cause.
