Global Engineering Experience - Aerospace

California: Global Engineering Experience Aerospace 2019

Program Details: The Schulich School of Engineering is pleased to offer a global engineering experience to California to visit world-class aerospace and technology organizations! This program provides a great opportunity for engineering students to visit the NASA Jet Propulsion Laboratory, NASA Ames, Northrop Grumman, Google, and several others located near Los Angeles, San Jose, and San Francisco. Students will also have opportunities to visit key cultural locations such as the Museum of Contemporary Art (MoCA), California Academy of Sciences, the Golden Gate bridge and more.

Dates: November 9th- 16th, 2019.

Location: Los Angeles, San Jose, and San Francisco, USA

Language: English

Program type: Group study

Application status: Open

Application deadline: Sunday, September 15th, 2019

Participants: Open to a maximum of 20 undergraduate and 2 graduate student in any major or year level. Priority will be given to students in good academic standing who have not previously participated on one of these experiences. Students will be required to complete the Global Engineering Experience application form. In the event that more applicants are received than there are available spaces, a random lottery system will be used to select participants.

Eligibility: Students must have a passport that is valid for at least 6 months past the date of the return and be eligible to travel to that destination. You may also require a visa/ study permit prior to travelling. Please refer to https://travel.gc.ca/destinations/united-states “Entry/Exit requirements” to check if you are eligible. A student visa can take from 3 days to 3 months to obtain, depending on the country to which you are travelling and which passport(s) you hold.

Cost: Students eligible for this California Aerospace Global Engineering program will be required to pay out of pocket $500. This includes round-trip airfare, field trips, local transportation, emergency medical insurance, and accommodations. Some meals will be provided, but students should budget for some food and snack purchases.
**Funding:** Due to significant existing financial contribution, students will not be eligible to receive Schulich Student Activities Funding (SSAF) or UCalgary International Funding for these experiences.

**Pre-departure:** The Engineering Student Centre and Chaperone(s) will host a mandatory pre-departure session for students. Topics covered will include student rules of conduct, customs/norms of the country, attendance expectations, and a full overview of the agenda. Please review travel advice from the Government of Canada prior to leaving [https://travel.gc.ca/destinations/united-states](https://travel.gc.ca/destinations/united-states).

**Student conduct:** Students will be bound by university non-academic misconduct policies and will be required to sign the SSE Rules of Engagement for Group travel document. In the event that misconduct occurs, the faculty chaperones, in consultation with the Dean’s Office, reserve the right to send the student(s) home. Students will be required to sign risk and student conduct waivers at the pre-departure session.

**Additional Student Expenses** - Managed directly by program participants

- Meals (some will be provided, depending on program)
- Visa/study permit fees (if required)
  - Go to [https://travel.gc.ca/destinations/united-states](https://travel.gc.ca/destinations/united-states) to find out if you need a visa permit.
    - Entry/exit requirements → Visas
- Departure fee/tax (if required)
- Additional baggage fees (if required)
