

UNIVERSITY OF
CALGARY

ESE Graduate Student Association (ESEG)

January 22nd, 2024

Mission

- Improving the overall educational experience by:
 - Representing the interests of the Electrical & Software Engineering graduate students to the faculty and administration.
 - Increasing the interactions between students within the department.
 - Facilitating networking between academia and industry.
 - Consulting with the department for issues faced by the students

Other Responsibilities

- Improving internal working of ESEG.
- Maintaining communication and information sharing between ESEG representatives and student body.
- Planning and organizing social events, indoor and outdoor to encourage sense of community.
- Welcoming new graduate students and orientation.
