

Criteria to Transfer from MSc to PhD

- ▶ C1: Successful completion of MSc Course Requirements
- ▶ C2: Research Proposal
- ▶ C3: Have met both C1 and C2 above within the first 2 years of enrolling in the MSc program
- ▶ C4: Letter of recommendation from Supervisor

- ▶ Notes:
 - All the four criteria listed above must be satisfied, to be considered for transfer
 - Students are strongly advised to complete the MSc program before enrolling in the PhD program
 - Transfer from MEng to PhD is NOT allowed
