

Currently enrolled MSc students - Transfer from MSc to PhD:

Transfer to the doctoral program without completing the Master's degree may be approved for exceptional students whose BSc degrees are in electrical engineering, computer engineering or software engineering.

MSc students applying for transfer to the PhD program must meet at least one of the following research productivity criteria:

- 1 full, peer-reviewed conference paper accepted/presented and 1 journal paper submitted, preferably with the first round of reviewers' comments received
- At least 2 full, peer-reviewed conference papers accepted/presented
- 1 patent application filed (primary authorship is required)

Notes:

- 1) The applicant must be the first author of the conference and/or journal papers.
- 2) The conference and/or journal papers must be based on the MSc research, and
- 3) A transfer application must be made within the first 24 months of enrolling in the MSc program, after the successful completion of all courses required for the MSc degree with a minimum GPA of 3.50/4.00.
