

27th Annual Alberta Biomedical Engineering Conference

October 30-November 1, 2026

Podium Presentation Guidelines

When preparing your presentation, consider the following guidelines:

- Be creative!
- Make use of images, graphs, figures, and tables where possible to avoid lengthy text
- Ensure slides are easy to read by making text large and with good contrast to the background
- Clearly state important points (objectives, hypothesis, and relevance of work)
- Reduce the use of jargon, explain all acronyms, and provide enough detail without losing your audience
- Be prepared to answer questions on the work you presented

IMPORTANT

- Podium presentations will be no longer than 8 minutes followed by 2 minutes of questions.
- Podium presentation time slots will be distributed closer to the conference dates.
- All presentations must be in PowerPoint..
- File name must be LASTNAME_FIRSTNAME_2026.pptx
- Slides must be emailed to abbmeconference@ucalgary.ca a minimum of 2 days before the conference (October 28th) at 9:00 am.
