

The Association of Professional
Engineers and Geoscientists of Alberta

September 10, 2018

Dear Engineering Graduate:

The Association of Professional Engineers and Geoscientists of Alberta (APEGA) invites you to attend a Code of Ethics workshop on November 3, 2018.

The workshop allows students the opportunity to meet and discuss ethical issues with Professional Members of APEGA. The event will be held at the **University of Calgary, Schulich School of Engineering, Room ENG 24**. An agenda for the day is included with your registration link. Please note that late arrivals will not be allowed into the workshop room.

A special information kit for graduates is attached. The kit includes a Request for Academic Documents and information regarding the process to become a Member-In-Training (M.I.T.). At the workshop, you will receive instructions to initiate your application online. By attending this workshop, you are entitled to preferred pricing which means that your first-year dues and regular application fee will be waived. Instead, you will only be charged a \$40 processing fee.

We look forward to welcoming you to the Association and the next stage in your rewarding career!

Sincerely,

A handwritten signature in black ink, appearing to read "Nima Dorjee".

Nima Dorjee, P. Eng., FEC, FGC(Hon.)
President
